2. YOUR CARD AND ITS USE

2.1 Getting started

2.1.1 When you receive your Card, please sign it immediately and set a PIN. You should choose a PIN that you will be able to memorise as you will need to remember it. You must not choose unsuitable numbers such as parts of your telephone number, parts of your Card Number, or sequential or easily identified numbers (e.g. 1234 or 1111). You must not use numbers easily connected with you or from your personal data, such as that on your driver licence or your birth date.

2.1.2 You must take every possible care to protect your Card, your Card Number and your PIN and to prevent others from carrying out Unauthorised Transactions. Do not write down your PIN, or keep it in any form with your Card, or disclose it to any other

person. You must also ensure that no one can see you enter your PIN at a Terminal, and that your Card is returned to you by the Merchant after you have made a Purchase.

2.2 Theft, loss or Unauthorised Transactions

- 2.2.1 Please tell us immediately if your Card is lost or stolen (even if you have placed your Card on hold), you believe that your PIN has been disclosed to another person, or you have any other reason to believe that someone may carry out an Unauthorised Transaction with or without your Card, so that we can cancel your Card and arrange for a new one to be issued and/or suspend your Account. If Unauthorised Transactions happen, they may result in a loss to you in accordance with paragraph 5.2.
- 2.2.2 You can contact us on 0800 500 450 or +64 9 580 7365 at any time. We will need to ask you questions to obtain as much information as possible. You may be required to provide us with a written report.

- 2.3.1 Your Card and your Card Number are our property and you must destroy or return your Card if we ask you to do so.
- 2.3.2 We may at our discretion refuse to process a Transaction if we consider that we have good reason to do so, including but not limited to:
- when such use would result in you exceeding the Credit Limit;
 - when you are in default under your Agreement with us or any other contract you have with the Group;
 - when your Card has been reported lost or stolen or has been placed on hold (although we refer you to paragraph 3.2 in relation to your ability to continue making Purchases on Long Term Finance without your Card if we have made this functionality available);
 - when your Card has expired;
 - when such use would result in your Account having a credit balance (as to which, please refer to paragraph 4.2); or
 - when we determine that such action may be appropriate for security reasons or for legal or regulatory compliance.
- We do not need to provide you with a reason for our refusal.
- 2.3.3 If your Card is damaged or faulty you must destroy your Card by cutting across the chip and magnetic strip and notify us and provide us with a description of the fault or how the damage occurred. If your Card is lost or stolen we will issue a replacement with a new Card Number. If your Card is damaged or faulty or about to reach its expiry date, we will issue a replacement Card with the same Card Number. If your Card is lost, stolen or damaged, we may debit a fee to your Account for the replacement of your Card. We may not issue a replacement Card to you in certain circumstances, including when your Account is in arrears.

- 3.1.1 You may carry out Mastercard Contactless Transactions at Merchants that have Mastercard Contactless Readers and display the Mastercard Contactless logo. These Transactions are called contactless transactions and a receipt may not automatically be provided, so we recommend you should always request one.
- 3.1.2 In New Zealand, Mastercard Contactless Transactions may be completed with or without entering a PIN. The Transaction amount above which a PIN may be required may vary from time to time. If you use your Card to make a Mastercard Contactless Transaction overseas, different limits may apply.

- 3.2.3 You must take every possible care to protect your nominated email account and mobile device to prevent unauthorised access by others.

- 3.5.1 We may offer Fixed Instalment options at selected Merchants or in accordance with paragraph 3.3 from time to time.
- 3.5.2 If you choose to take up a Fixed Instalment, you will need to repay the Advance by making regular Instalments during the Fixed Instalment Period. Each Instalment will be made up of a share of the Advance made to you and interest at the Fixed Instalment Interest Rate (which may be 0% p.a.). You can only pay an Instalment when it becomes due for payment and it is posted to your Statement.
- 3.5.3 Your Fixed Instalment may have a Payment Holiday during which you will not be required to make any Instalment to us, however, interest at the Fixed Instalment Interest Rate will be calculated during the Payment Holiday and be charged in accordance with paragraph 6.1.2.
- 3.5.4 You may cancel your Fixed Instalment and pay off the Advance that we have made available to you and any interest under the Fixed Instalment before the final Instalment is due. To do so, please call us on 0800 500 450 or +64 9 580 7365 and we can advise you of the total amount you will need to pay if you want to pay off a Fixed Instalment at the time of your call. A Fixed Instalment Cancellation Fee will apply in respect of any cancellation.
- 3.5.5 We will not accept a part prepayment of a Fixed Instalment.
- 3.5.6 The specific terms applicable to a Fixed Instalment (including any applicable Payment Holiday, the Fixed Instalment Interest Rate and the Instalments) will be

specified in the Sales Voucher for that Fixed Instalment.

- 3.6.1 You may make a Standard Purchase online or at any Terminal that accepts Mastercard.

- 3.7.1 We may offer Pay Later Purchase promotions on Standard Purchases from time to time.
- 3.7.2 Pay Later Purchases will have a Start-up Interest Period and a Payment Holiday of at least 3 months and a Start-up Interest Rate of 0% p.a.. At the end of this period, the Standard Interest Rate will apply and accrue as from the next Due Date.
- 3.7.3 We will endeavour to give you notice of any Pay Later Purchase promotions that we run. Standard Purchases that qualify under a Pay Later Purchase promotion will also be identified on your next Statement.

3.8 Cash Advances

- 3.8.1 You may obtain a Cash Advance anywhere in the world where there is a Terminal that permits use of your Card and which displays the Mastercard symbol or via a teller-assisted service at banks and/or financial institutions displaying the Mastercard logo. You may be required to provide identification for this service.
- 3.8.2 The minimum or maximum amount of cash that you may withdraw may vary between banks and/or other financial institutions. The banks and/or financial institutions may charge an additional access fee for this service.
- 3.8.3 You may obtain Cash Advances provided your Credit Limit has not been, and will not be exceeded, and no other restrictions have been placed on making Cash Advances by us, or the country you are located in. We may at our discretion set limits on daily withdrawals, number of Cash Advances permitted per day, and the minimum amount of each withdrawal, and these limits may vary from time to time. We will give you reasonable notice of the changes.

3.9 Balance Transfers

- 3.9.1 If applicable to your Account, you (the Primary Cardholder) may request using an approved form, a Balance Transfer to your Account.
- 3.9.2 We may decline such a request or impose any condition on a Balance Transfer at our discretion, where we consider we have good reason to do so.
- 3.9.3 Without limitation, we may decline a Balance Transfer for the following reasons:
- the Balance Transfer would result in your Credit Limit being exceeded;
 - you are not liable for the account from which the Balance Transfer is being made;
 - the account from which the Balance Transfer is being made is an account that does not allow Balance Transfers to take place;
 - you did not authorise the Balance Transfer correctly;
 - you did not provide us with all requested information for the Balance Transfer; or
 - you did not comply with all of the conditions of the Balance Transfer offer.
- 3.9.4 It will continue to be your responsibility to ensure that payments on the account from which the Balance Transfer originated are made when due.

3.10 Using your Card overseas

- 3.10.1 All Cash Advances, Purchases and/or charges made or incurred in foreign currencies will be converted into New Zealand dollars at a rate of exchange set by Mastercard.

3.10.2 Overseas Transactions (including Cash Advances) will be subject to the additional fees and charges specified in the Initial Disclosure Statement and may vary from time to time. A full schedule of fees is always available and can be accessed at flightcentremastercard.co.nz.

3.10.3 If you use your Card or Account overseas, you may also be subject to exchange controls or other government requirements. You will be liable for any Advances made overseas whether or not the New Zealand Customs Department allows the goods or services purchased into New Zealand.

3.11 Processing Time by Merchants

3.11.1 To qualify for any of our Long Term Finance and Pay Later Purchase offers, your Purchase must be processed during the offer period. Our offer period will be based on New Zealand local time and date, unless we specify otherwise for the relevant offer.

3.11.2 Please note that when you make a Purchase with a Merchant, the Merchant may not necessarily process your Purchase on the same day. Your Purchase will also be processed based on the local time that applies to the Merchant where it processes your Purchase. If your Merchant processes your Purchase outside New Zealand, the Purchase will still need to be processed within our offer period (which will be based on New Zealand local time) in order to qualify.

3.11.3 We are not responsible if a Merchant does not process your Purchase(s) within any of our offer periods.

3.12 Authorisations of Standard Purchases

3.12.1 A Merchant may obtain an authorisation in relation to a Standard Purchase to ensure that you have enough available credit on your Account to complete the Transaction.

3.12.2 When a Merchant obtains an authorisation, it will reduce your available credit on your Account by the amount of the authorisation. The authorisation amount will remain on your Account until we receive confirmation of a Transaction that matches the authorisation from Mastercard or the authorisation lapses because no matching Transaction could be located. This means that the authorisation may remain on your Account and reduce your available credit (but the Transaction will not be processed) for several days.

3.12.3 In some cases, your available credit will be reduced by the amount of both the authorised amount and the actual Transaction amount for a short period of time. This can happen if the Merchant obtains an authorisation for an estimated value of the Transaction because the actual value of the Transaction is not known at the relevant time.

4. YOUR ACCOUNT

4.1 Credit Limit

4.1.1 If you are the Primary Cardholder, your initial Credit Limit will be displayed on your Approval Confirmation. Your current Credit Limit will also appear on your Statements. Where you have Additional Cardholder(s) on your Account, then your Credit Limit will apply to all Cards issued on your Account.

4.1.2 You are expected to keep the unpaid balance on your Account, as well as all amounts required to repay any Fixed Instalments and any amounts accrued, authorised or charged but not yet debited to your Account, within your Credit Limit at all times. We may choose to honour a Transaction even if it creates an Over-limit Amount. We may also decline further Advances until any Over-limit Amount is repaid. Any Over-limit Amount will form part of the Minimum Payment due for the applicable Statement period (or you

may choose to pay any Over-limit Amount off earlier).

4.1.3 The Primary Cardholder, can apply to us to have your Credit Limit decreased or increased at any time. We may decrease your Credit Limit at any time without your approval if we consider we have good reason to do so, and we will notify you in writing of this change, as required by law.

4.2 Credit balance

4.2.1 You must ensure that your Account does not at any time have a credit balance.

4.2.2 We may decline to accept, or reverse, any payment into your Account that would result in a credit balance without giving you notice.

4.3 Statements

4.3.1 If you are the Primary Cardholder, we will allocate a Statement date for the issue of your Statements. We will provide your Statements to you on our web self service, unless:

- (a) there have been no Transactions during the Statement period and the unpaid balance on your Account is nil; or
- (b) we are permitted by law not to provide you with a Statement.

4.3.2 Each Statement will show all amounts debited and credited to your Account during the Statement period. The Statement period runs from the date of the opening balance of the Statement to the date of the Closing Balance of the Statement.

4.3.3 You agree to be notified via email that a Statement is ready to be viewed on our web self service or we will provide you with access to such information via our website.

4.3.4 You can request Statements in other forms, but fees may apply. If you do, we will allocate a Statement date to you.

4.4 Additional Cardholders

4.4.1 This paragraph 4.4 only applies if we have enabled Additional Cardholder functionality on an Account.

4.4.2 If you are the Primary Cardholder, you may request that we issue additional Card(s) on your Account to any person(s) nominated by you who is over the age limit we set from time to time. We do not have to issue any additional Cards to any such person(s) nominated by you. Once we assess your request, we may issue additional Card(s) to any such person(s) approved by us. You may have a maximum of four additional Cards issued on your Account at any time.

4.4.3 Your Additional Cardholder(s) will be bound by your Agreement, except that Additional Cardholder(s) are not liable for any Transactions on your Account. You will be liable for all Transactions made by your Additional Cardholder(s), including liability in respect of lost or stolen Card or actual or possible disclosure of an Additional Cardholder's PIN, or in respect of any breach or non-compliance by your Additional Cardholder of your Agreement.

4.4.4 Additional Cardholders can make Advances (other than a Balance Transfer) on your Account, and earn and redeem loyalty or rewards in the same way as you can (subject to these terms and conditions and the terms and conditions applicable to the relevant loyalty or rewards programme). Additional Cardholders will not be able to make Balance Transfers to your Account.

4.4.5 Additional Cardholders cannot make changes to a Primary Cardholder's Account. However, they can make changes relating to their Card and update their personal details.

4.4.6 Additional Cardholders will have access to certain information on your Account. If you are the Primary Cardholder, you acknowledge and agree that your Additional Cardholder(s) will have access

to, and we can disclose to your Additional Cardholder(s), information relating to your Account, including your Account balance, the available credit on your Account, your Credit Limit, your loyalty or rewards balance and information relating to the Transactions that they have made or attempted to make on your Account.

4.4.7 If you are an Additional Cardholder, you acknowledge and agree that your Primary Cardholder will have access to, and we can disclose to your Primary Cardholder, Your Personal Information (including details of all your Purchases) that we may hold from time to time.

4.4.8 If you are the Primary Cardholder, you may remove any Additional Cardholder from your Account at any time by contacting us and destroying the additional Cards. Removal of any Additional Cardholder does not affect your liability for Transactions initiated prior to the removal.

4.4.9 You may also place a hold on any of the Cards issued on your Account (however, we refer you to paragraph 3.2 where we have enabled the shopping on Long Term Finance without a Card functionality on your Account). If the Primary Cardholder's Card is on hold, Additional Cardholder(s) will still be able to transact using their Card(s). You may also cancel any hold placed by an Additional Cardholder on their Card. An Additional Cardholder cannot remove a hold on their Card if it has been placed on hold by the Primary Cardholder.

4.4.10 We are not responsible for any dispute between you and your Additional Cardholder(s).

We may ask you to verify your concerns in writing.

6.1 Interest

6.1.1 Interest charges will be debited to your Account on each Statement date. Daily interest rates are calculated by dividing the applicable annual interest rate by 365. Any interest charged will form part of your Closing Balance and interest is chargeable on that amount if not paid in cleared funds and in full by the Due Date shown on the next Statement.

6.1.2 Long Term Finance and Purchases

- (a) Flexi Payment Purchases (which may include an establishment fee or advance fee) will have a Start-up Interest Rate (which may be 0% p.a.) that applies during the Start-up Interest Period. The Start-up Interest Rate and the Start-up Interest Period will be shown on your Sales Voucher and on your Statements. At the end of the Start-up Interest Period, the Standard Interest Rate will apply and will accrue as from the next Due Date following the end of the Start-up Interest Period until repaid.
- (b) Fixed Instalments (which may include an establishment fee or advance fee) will have a Fixed Instalment Interest Rate (which may be 0% p.a.) that applies during the Fixed Instalment Period. The total interest amount for a Fixed Instalment (if any) is spread across, and will form part of, each Instalment for that Fixed Instalment. The Fixed Instalment Interest Rate will be shown on your Sales Voucher and on your Statements. If you request to cancel your Fixed Instalment under paragraph 3.5.4 and you fail to pay the relevant Cancelled Fixed Instalment off by the next Due Date shown on your Statement, then the Standard Interest Rate will apply to the Cancelled Fixed Instalment as from that Due Date until repaid.

(c) Standard Purchases (other than Pay Later Purchases) will have an interest-free period of up to 44 days. No interest will be payable if a Standard Purchase (other than a Pay Later Purchase) is paid in full by the Due Date shown on the Statement in which that Standard Purchase appears. If a Standard Purchase (other than a Pay Later Purchase) is not repaid in full by this date, then interest at the Standard Interest Rate will accrue as from the date the relevant Standard Purchase was debited to your Account until it is repaid in full.

(d) Pay Later Purchases will have a Start-up Interest Rate of 0% p.a. that applies during a Start-up Interest Period of at least 3 months. At the end of the Start-up Interest Period, the Standard Interest Rate will apply and will accrue as from the next Due Date following the end of the relevant Start-up Interest Period until repaid.

(e) Interest debited to your Account in respect of any Flexi Payment Purchase, Standard Purchase, Pay Later Purchase or Cancelled Fixed Instalment on a Statement date will form part of the unpaid balance referred to in paragraph 6.1.5 below.

6.1.3 Cash Advances

- (a) Interest on a Cash Advance is calculated using the Cash Advance Interest Rate

which applies from the time the Cash Advance is debited to your Account until it is repaid in full.

- (b) Interest debited to your Account in respect of any Cash Advance on a Statement date will form part of the unpaid balance referred to in paragraph 6.1.5 below.

6.1.4 Balance Transfers

(a) Balance Transfers may have a Start-up Interest Rate (which may be 0% p.a.) that applies during the Start-up Interest Period. Any Start-up Interest Rate applying to any Balance Transfers promotion offered by us will be published on our website and will be further disclosed to you prior to our acceptance of any Balance Transfer request from you.

(b) At the end of any applicable Start-up Interest Period, the Standard Interest Rate will apply and will accrue as from the next Due Date following the end of the relevant Start-up Interest Period until repaid.

6.1.5 All other Transactions

(a) Subject to the other provisions of paragraph 6, interest on the unpaid balance on your Account (other than any unpaid statemented Fixed Instalments) will be calculated using the Standard Interest Rate that applies from the time the Transaction is debited to your Account until it is paid in full. This means that the Standard Interest Rate applies to Balance Transfers (subject to paragraph 6.1.4) and debits to your Account of all fees, charges and interest.

(b) An interest-free period of up to 44 days may apply to Balance Transfers (subject to paragraph 6.1.4) and debits to your Account of all fees, charges and interest on which interest is charged at the Standard Interest Rate. No interest will be payable on the relevant Transaction if payment is received by us in full by the Due Date shown on the Statement in which that Transaction appears. If the relevant Transaction is not repaid in full by the relevant Due Date, then interest at the Standard Interest Rate is payable from the time the Transaction is debited to your Account until it is repaid in full. In that case, the interest debited to your Account on a Statement date in respect of the relevant Transaction also forms part of the unpaid balance on your Account on which interest is charged in respect of that Statement period.

6.2 Fees and charges

6.2.1 The fees and charges that you (the Primary Cardholder) may be required to pay under your Agreement are specified in the Initial Disclosure Statement and may vary from time to time. A full schedule of fees is always available from us, and can be accessed at flightcentremastercard.co.nz.

6.2.2 Any establishment fee or advance fee in connection with a Long Term Finance will benefit from any Start-up Interest Rate, Fixed Instalment Interest Rate and/or Payment Holiday available to the relevant Long Term Finance. However, any account fee payable (which relates to the establishment and maintenance of your Account) will not benefit from any features associated with a Long Term Finance and will instead receive an interest-free period of up to 44 days and will be included in the calculation of your Minimum Payment due under paragraph 7.2.2.

7. PAYMENTS

7.1 Payment information

7.1.1 We will notify you (the Primary Cardholder) via an email that your Statement is ready to

 - By other means that we make available to you from time to time, such as through our web self service.

7.1.3 Payments to your Account must be made in New Zealand dollars.

7.2 Primary Cardholder's Repayment Obligations

7.2.1 Overdue Amounts

- You must pay all overdue amounts shown on your Statements immediately.

7.2.2 Minimum Payment

- You must pay the Minimum Payment shown on your Statement by the Due Date. You may pay more than this amount, however, if you do, you are still required to meet your Minimum Payment obligation on your next Statement.
- Your Minimum Payment (as shown on your Statement) is made up of one or more of the following amounts:
 - If you have any Fixed Instalment, each Instalment that becomes due in respect of that Statement period.
 - If your Closing Balance after adjusting for any amount referred to in subparagraph (A) above exceeds your Credit Limit (the difference being the **Over-limit Amount**), the Over-limit Amount.
 - If your Closing Balance after adjusting for the amounts referred to in subparagraphs (A) and (B) above and any amount that is still subject to an unexpired Payment Holiday (being the **Adjusted Closing Balance**) is less than \$10, the Adjusted Closing Balance.
 - If your Adjusted Closing Balance is \$10 or more, then \$10 or an amount calculated as 3% of the Adjusted Closing Balance (whichever is greater).
- You are obliged to pay the Minimum Payment each month even if you do not receive a Statement or access a Statement online on our web self service. You can contact us at any time for details of your Account, or you can view your Account online on our web self service.
- All or any part of the Minimum Payment not received by us by the relevant Due Date will be deemed overdue and fees may apply.

7.2.3 You may pay the whole or any part of the unpaid balance on your Account at any other time for no additional fee (however, please note that in relation to a Fixed Instalment, the unpaid balance will only comprise of the stated Instalment(s) or the Cancelled Fixed Instalment for that Fixed Instalment, as applicable).

7.2.4 You may also cancel and pay off your Fixed Instalment in full at any time in accordance with paragraph 3.5.4.

7.3 Payment allocation

7.3.1 Payments (including any rewards redemption) made to your Account will reduce any overdue payment amount shown on your current Statement.

7.3.2 Payments (including any rewards redemption) made to your Account are generally applied in the following order:

- to any Cancelled Fixed Instalments in accordance with paragraph 3.5.4 (if applicable), in the order of date on which they are cancelled; then
- to stated Instalments (if any), in the order of Transaction date; then
- to stated Cash Advances, in the order of Transaction date; then
- to all other stated Transactions (excluding Flexi Payment Purchases, Pay Later Purchases and Balance Transfers that are not yet interest bearing) in the order of date on which they become interest bearing; then
- to stated Flexi Payment Purchases and Balance Transfers that are interest bearing and still within their Start-up Interest Period, in the order of date upon which they will move to the Standard Interest Rate; then
- to stated Flexi Payment Purchases, Pay Later Purchases and Balance Transfers that are still within their interest free Start-up Interest Period, in the order of date on which they will move to the Standard Interest Rate; then
- to any unstated Transactions in the same order as set out at subparagraphs (b) to (f) above, **except that no** payment will be applied towards any Instalments until they become stated.

7.4 Effective date of payment

7.4.1 We will credit your payment to your Account as soon as practicable upon our receipt of a confirmation from our account bank that your payment has been received in cleared funds. Depending on the payment method chosen by you, some payment methods can take several days to be received in cleared funds by us. You may like to check with your bank as to whether there is a timeframe for clearance for your chosen payment method as failure to make any payment to us by the Due Date may result in fees and interest being charged to your Account. We will not be liable for any delay in our receipt of any payment from you, or any delay in the processing of your payment(s) by third parties. If a payment is dishonoured or reversed, it will be treated for all purposes in connection with your Agreement as not having been made.

8. RETURNED GOODS

- 8.1 Any refund due to you by a Merchant is an agreement between you and the Merchant only. It does not affect your obligations under your Agreement with us.
- 8.2 When a Merchant agrees to accept a return of goods Purchased and you have chosen to receive a refund to your Account, we will apply that refund to your Account and it will appear on your next Statement.

9. CANCELLATION OF YOUR AGREEMENT BY YOU

- 9.1 If you are the Primary Cardholder, you may cancel your Agreement at any time by calling us on 0800 500 450 or +64 9 580 7365 within our standard business hours or by notifying us in writing, and paying us the unpaid balance on your Account, as well as all amounts required to repay any Fixed Instalments made and any other amounts accrued, authorised or charged but not yet debited to your Account.
- 9.2 If you cancel your Agreement you must destroy your Card (including each Card issued to an Additional Cardholder) by cutting across the chip and magnetic strip.
- 9.3 If you wish to close your Account, you must ensure that all outstanding Purchases that are on Delayed Delivery, automatic payments and any

other periodic and/or recurring debits on your Account are cancelled.

10. CANCELLATION OF YOUR CARD BY US

10.1 We may at any time and for any reason, cancel your Card (and each Card issued to an Additional Cardholder) and your Account and decline to provide you with further credit even if your Account is otherwise in order. If we cancel your Card and your Account, you must not attempt to obtain credit on your Account and you must destroy your Card (including each Card issued to an Additional Cardholder) by cutting across the chip and magnetic strip. You must immediately repay the unpaid balance on your Account, as well as all amounts required to repay any Fixed Instalments made and any other amounts accrued, authorised or charged but not yet debited to your Account. You can cease using your Card at any time but this does not release you from your existing obligations. You are still required to make payments and we will continue to charge all applicable interest and fees.

11. DEFAULT AND ENFORCEMENT

- 11.1 If you are in default of your Agreement, we may suspend your Account. We may also demand immediate payment in full of the unpaid balance on your Account, as well as all amounts required to repay any Fixed Instalments made and any other amounts accrued, authorised or charged but not yet debited to your Account.
- 11.2 If this happens, we may, acting reasonably, deem any Payment Holiday or Start-up Interest Period to have expired. The Standard Interest Rate may then apply to the affected Transactions from the date of the demand.
- 11.3 We will also require the destruction or immediate return of your Card (including if applicable, any Card issued to an Additional Cardholder) to us.
- 11.4 You are in default under your Agreement if:
- you do not pay any amount payable under your Agreement in cleared funds and in full by its due date; or
 - any payment of any amount under your Agreement is dishonoured; or
 - you are in breach of any term of your Agreement or (if you are the Primary Cardholder) that of any other agreement you have with the Group; or
 - any information that you have given us in connection with your Account or your Agreement is false or misleading; or
 - you (or another Cardholder on your Account) grant another creditor a Security Interest over any Secured Property or allow such Security Interest to remain in breach of your Agreement; or
 - in our opinion, any material item or items of all Secured Property is or are at risk (as defined at section 83E(2) of the CCCFA).
- 11.5 If you are in default, you may be liable to pay all reasonable enforcement expenses and collection costs (including court costs and costs on a solicitor/client basis and all administration costs) that we incur as a result of the default. In addition, we may enforce our Security Interest in the manner specified in paragraph 12.

12. SECURITY INTEREST

- 12.1 This paragraph 12 only applies to a new Account opened with us after 30 November 2017 (**Relevant Account**) and shall apply to all Cardholders under a Relevant Account.
- 12.2 You agree to grant us a first-ranking Security Interest in all of your Secured Property now and in the future. The Security Interest provides us with rights in the Secured Property and (subject to our compliance with any applicable law) allows us to repossess and sell the Secured Property if you breach your obligations under your Agreement.
- 12.3 The Security Interest secures the performance of your obligations under your Agreement and the payment of all Secured Moneys and is a continuing security until:

- 12.3.1 we are satisfied that the whole of the Secured Moneys has been fully repaid;
- 12.3.2 your Account has been cancelled; and
- 12.3.3 no payment received or to be received by us may be avoided, or required to be repaid, whether under any law relating to bankruptcy or otherwise.
- 12.4 Until we are satisfied that the conditions for release of our Security Interest under paragraph 12.3 have been satisfied, you agree that (unless we have otherwise consented in writing) you will exercise the same degree of care which a person of ordinary prudence would exercise under the same or similar circumstances when dealing with any Secured Property, including (where expected of a person of ordinary prudence):
- 12.4.1 You will ensure that each Secured Property:
- is only used for the purpose for which it is designed;
 - is only operated in a proper manner; and
 - is maintained in good and substantial repair and in good working order and insured; and
- 12.4.2 you will not do, or omit to do anything which does or could reasonably be expected to prejudice or adversely affect our Security Interest, including our rights to enforce against any Secured Property.
- 12.5 We (or our agents) may at any reasonable time inspect the Secured Property on giving reasonable verbal or written notice to you.
- 12.6 You waive your right to receive verification statements connected with any financing statement or financing change statement registered in relation to the Security Interest.
- 12.7 If you are in default under your Agreement, then we shall (and in addition to our rights under paragraph 11 but subject to any applicable law), be entitled to repossess and sell any Secured Property.
- 12.8 If we exercise our right to repossess any Secured Property, we may appoint agents to enter into any place where we believe the Secured Property is held (whether or not an occupier is present). You authorise us and our agents to gain entry to the premises to complete such repossession without in any way being liable to you or any other person, but subject to the CCCFA and mandatory law.
- 12.9 You indemnify us and our agents against all claims, actions, costs and losses any of them may suffer or incur through the repossession or attempted repossession of any Secured Property however arising. Whilst we will endeavour to care for your Secured Property, we will not be responsible for any damage to any Secured Property occurring during or after repossession, but subject to the CCCFA and mandatory law.
- 12.10 On our request, you will promptly execute any documents and do anything else required by us (acting reasonably) to ensure the Security Interest constitutes a first ranking perfected Security Interest in the Secured Property.
- 12.11 You:
- will immediately notify us of any change in your name and address; and
 - will (upon our request) provide any information we reasonably require to complete a financing statement or financing change statement.

13. GOODS AND SERVICES TAX

- 13.1 You declare that any sale or disposal of the Secured Property by us as a result of you defaulting under these terms and conditions shall not constitute a taxable supply of that Secured Property (as defined in the Goods and Services Tax Act 1985) for the reason that:
- you are not nor will be registered as a person under the Act; and
 - the Secured Property will not be used by you in the course or furtherance of a taxable activity.

Should you register as a supplier under the Act while these terms and conditions are in force then you shall advise us accordingly.

14. VARIATIONS TO YOUR AGREEMENT

- 14.1 We may at any time (without your prior agreement):
- vary the Standard Interest Rate, any Start-up Interest Rate, any Cash Advance Interest Rate or any other interest rate applying under your Agreement (or how it is calculated or applied);
 - vary the amount, frequency, time for payment, or method of calculation of any payment to be made under your Agreement;
 - vary the amount, frequency, time for payment or method of calculation of any fee or charge (or introduce a new fee or charge) payable under your Agreement;
 - reduce your Credit Limit;
 - change any term in your Agreement where, in our reasonable opinion, the change is:
 - necessary or expedient to comply with any applicable law;
 - is of a formal, technical or administrative nature; or
 - will not prejudice or disadvantage you in any material respect.
- 14.2 We will give you notice of any change as required by law. We do not waive any of our rights except where we do so in writing. Any concession otherwise given is not a waiver of rights.

FLIGHT CENTRE REWARDS PROGRAMME GUIDE

WHAT ARE FLIGHT CENTRE REWARDS?

Flight Centre Rewards is a programme offered by Columbus Financial Services Limited to all of its Flight Centre Mastercard customers who make Purchases* on their Flight Centre Mastercard Account (Account[^]).

You can earn and accumulate Flight Centre Rewards when you shop using your Card on any Standard Purchase or Pay Later Purchase anywhere Mastercard is accepted around the world and on any Long Term Finance you make on your Account[^] at a participating merchant in New Zealand.

Flight Centre Rewards can only be redeemed as credit to your Account[^] after you have made a repeat Purchase* at a New Zealand Flight Centre store (either in-store or online).

Unless stated otherwise, terms defined in the Flight Centre Mastercard Cardholder Terms and Conditions have the same meanings in this Flight Centre Rewards programme guide.

HOW DO I EARN FLIGHT CENTRE REWARDS?

You earn ₹1.00 Flight Centre Reward for every NZ\$100 you spend on a Purchase* (excluding Purchases* from Flight Centre). At Flight Centre, Cruiseabout and Travel Associates it's even better, you earn ₹2.00 Flight Centre Rewards for every NZ\$100 you spend in-store or online at these stores.

For example:

You spend \$250 on groceries at your supermarket with your Card = ₹2.50 Flight Centre Rewards earned.

You spend \$1,200 on a trip to the Gold Coast at a Flight Centre store using your Card = ₹24.00 Flight Centre Rewards earned.

We may from time to time tell you about other places you can earn Flight Centre Rewards (including double Rewards).

HOW DO I REDEEM MY FLIGHT CENTRE REWARDS?

Flight Centre Rewards are automatically redeemed as a credit to your Account after any repeat Purchase* at a New Zealand Flight Centre store (either in-store or online). When redeemed, every

₹1.00 Flight Centre Reward earned will equate to NZ\$1.00 credit to your Account[^].

For example:

Assume that on 31 March you have accumulated ₹20.00 Flight Centre Rewards on your Account[^].

On 1 April you purchase a bus tour of Queenstown for NZ\$60 using your Card at a New Zealand Flight Centre store.

On 2 April you will receive a redeemable credit of NZ\$20 on your Account[^].

Note: The Flight Centre Rewards earned on the 1 April purchase will only be redeemable as a credit against any future repeat Purchase* at a New Zealand Flight Centre store (either in-store or online) from the next day i.e. 2 April. Just so you know, it can take a couple of days for the Flight Centre Rewards redemption to appear as a transaction on your Account[^], but the available credit on your Account[^] will be adjusted for the redemption from the next day i.e. in this example, on 2 April.

HOW ARE MY FLIGHT CENTRE REWARDS CALCULATED?

Every ₹1.00 Flight Centre Reward will equate to a NZ\$1.00 credit on your Account[^] at the time of redemption. This rate may be varied by us from time to time. We will give you reasonable notice of this variation.

For example:

You spend \$1,200 on a Gold Coast trip at a New Zealand Flight Centre store, you earn ₹24.00 Flight Centre Rewards and each Flight Centre Rewards equates to NZ\$1 when redeemed, therefore on redemption the amount credited to your Account[^] for this purchase is NZ\$24.

HOW MANY FLIGHT CENTRE REWARDS CAN I REDEEM?

Flight Centre Rewards can be redeemed against a repeat Purchase* at a New Zealand Flight Centre store (either in-store or online) up to the value of that repeat Purchase*.

HOW DO I KEEP A RECORD OF THE FLIGHT CENTRE REWARDS I EARN?

We do it for you. Your Flight Centre Rewards earned, Flight Centre Rewards redeemed and your balance will appear on your Statement each month and online on our Web Self Service at flightcentremastercard.co.nz. You can also check your balance on our mobile app or by calling 0800 500 450 (+64 9 580 7365 if overseas).

DO FLIGHT CENTRE REWARDS EXPIRE?

Yes. Any unused Flight Centre Rewards will expire 3 years after the date they are earned.

WHAT WILL HAPPEN TO MY FLIGHT CENTRE REWARDS IF I RECEIVE A REFUND ON MY PURCHASE?

If you receive a refund on all or part of a Purchase* you have made, any Flight Centre Rewards earned on the amount refunded will be reversed.

If a Purchase* has triggered an automatic redemption, then unless it would result in your Account[^] having a credit balance, the value of that redemption will remain on your Account[^], even if you subsequently return the goods or receive a refund for the relevant Purchase*.

For example:

Your Flight Centre Rewards balance is ₹20.00. You then spend \$1,200 on a Gold Coast trip at a New Zealand Flight Centre store, which automatically redeems the ₹20.00 Flight Centre Rewards as a credit onto your Account[^] for NZ\$20. If you subsequently cancel that Gold Coast trip we will not reverse the \$20 credit we provided to you for that transaction, however, we will reverse the Flight Centre Rewards earned on the purchase of the trip, i.e. any Flight Centre Rewards earned on that Gold Coast trip of ₹24.00 will be reversed out.

OTHER IMPORTANT INFORMATION FOR FLIGHT CENTRE REWARDS

- Flight Centre Rewards can be earned on all Purchases* made in New Zealand and overseas. Flight Centre Rewards for transactions made in foreign currency will be awarded based on the New Zealand dollar value of the Purchase* after a currency conversion at a rate of exchange reasonably determined by us.
- There is no cap on the amount of Flight Centre Rewards you can earn.
- You cannot transfer Flight Centre Rewards to another person, and when redeemed, credit will only be made to your Account[^].
- Your Account[^] cannot be in credit (i.e. have a positive balance). If that would or might be the case following a redemption of Flight Centre Rewards, we may defer the redemption.
- Where an automatic redemption is triggered by a repeat Purchase* at a Flight Centre store in New Zealand, your Account[^] will be credited with the total of any Flight Centre Rewards you have accumulated up to the value of that repeat Purchase* (unless such redemption would cause your Account[^] to be in credit (in which case, we may defer the redemption)).
- Any unredeemed Flight Centre Rewards earned will expire after 3 years from when they are earned or on termination / cancellation of your Account[^].
- Flight Centre Rewards have no value until redeemed. They are not money, do not give you a right to be repaid money, and cannot be exchanged for cash.
- Despite any other terms or conditions of the Flight Centre Rewards programme, the Flight Centre Rewards programme is provided at our discretion. We reserve the right to withdraw or amend the Flight Centre Rewards programme at any time by giving notice to you. If we exercise our right to withdraw the Flight Centre Rewards programme, any unredeemed Flight Centre Rewards earned by you may be forfeited.
- We reserve the right to suspend or cancel your participation in the Flight Centre Rewards programme if your Account[^] is in arrears, if your Account[^] is over its Credit Limit, if you breach your Agreement or abuse or misuse the Flight Centre Rewards programme, or if your Account[^] is cancelled for any reason. Where we exercise this right, any unredeemed Flight Centre Rewards earned by you may be forfeited.
- Subject to mandatory law, we will not be liable for any loss incurred by you through the withdrawal or amendment of, or the suspension or cancellation of your participation in, the Flight Centre Rewards programme.
- Flight Centre Rewards earned and redeemed will be rounded to two decimal points based on the Swedish rounding method.
- Flight Centre Rewards redemptions will be allocated to your Account[^] on the day following the date upon which the relevant Purchase* is processed by us. However, it may take a couple of days for the redemption to appear as a transaction on your Account[^].
- Subject to mandatory law, we are not liable for any errors or omissions and reserve the right to correct any errors due to the incorrect crediting or debiting of Flight Centre Rewards.

[^] Your Account is the Flight Centre Mastercard account maintained by us in the Primary Cardholder's name.

Flight Centre Mastercard® Initial Disclosure Statement

IMPORTANT

This Initial Disclosure Statement sets out key information about your Agreement. Please read it thoroughly. **If you do not understand anything in this document, you should seek independent advice.** You should keep this Initial Disclosure Statement and a copy of your Agreement in a safe place. Unless stated otherwise, terms defined in the Flight Centre Mastercard cardholder terms and conditions have the same meaning in this Initial Disclosure Statement.

The law gives you a limited right to cancel your Agreement and/or any Long Term Finance (see below for further details). **Note that strict time limits apply.**

CREDITOR DETAILS

We are Columbus Financial Services Limited, 111 Carlton Gore Road, Newmarket, Auckland 1023, Private Bag 94013, Auckland, 2241.

Notices may be sent to us by writing to us at our postal address or by email to customer.services@flightcentremastercard.co.nz.

CONTINUING DISCLOSURE

We are required to provide you with regular Statements which will give you information about your Account (e.g. any interest or fees charged during the Statement period) and the amount and timing of your payments. Your Statements will be available on web self service. We will send you an email to let you know when your next Statement is ready to view or provide you with all of the required information on our website.

INITIAL UNPAID BALANCE

This Initial Disclosure Statement is effective as at: ___ / ___ / 20___

Your initial unpaid balance (the amount you owe as at that date) is the total of each Advance made on that date (as disclosed on the applicable Sales Voucher and/or Terminal receipt), which may include an Establishment Fee if you have made a Long Term Finance on that date.

CREDIT LIMIT

Your Credit Limit is: \$ _____

We also place limits on Cash Advances you can make from your Account of up to NZ\$1,000 per day in aggregate, a maximum of 10 transactions per day, and a minimum withdrawal amount of NZ\$20 per transaction. Banks and other financial institutions may place other limits on Cash Advances for security purposes.

ANNUAL INTEREST RATE

The Standard Interest Rate applying to your Account is currently **22.95% p.a.** (this may vary from time to time). The Standard Interest Rate applies to the unpaid balance of your Account, except in relation to any Transactions that are still subject to their applicable Start-up Interest Rate, or to any Cash Advances or unpaid Instalments. This means that the Standard Interest Rate applies to all Standard Purchases and Balance Transfers (excluding Pay Later Purchases or Balance Transfers that are still subject to their applicable Start-up Interest Rate) and debits to your Account of all fees, charges and interest. The Standard Interest Rate also applies to all Flexi Payment Purchases, Pay Later Purchases and Balance Transfers that are no longer subject to their applicable Start-up Interest Rate and to all Cancelled Fixed Instalments (if any).

The Start-up Interest Rate and Fixed Instalment Interest Rate applying to a Flexi Payment Purchase and a Fixed Instalment during their respective Start-up Interest Period and Fixed Instalment Period may differ and we will disclose the applicable rate in your Sales Voucher. For Pay Later Purchases, the Start-up Interest Rate during the applicable Start-up Interest Period will be **0% p.a.**

Any Start-up Interest Rate applying to any Balance Transfers promotion offered by us will be published on our website and will be further disclosed to you prior to our acceptance of any Balance Transfer request from you.

The Cash Advance Interest Rate applying to your Account is currently **24.95% p.a.** (this may vary from time to time). The Cash Advance Interest Rate applies to all Cash Advances made from your Account from the date of the Cash Advance until repaid in full.

Interest charges will be debited to your Account on each Statement date and will form part of the opening balance on which interest at the Standard Interest Rate is charged in respect of the relevant Statement period.

Interest on each outstanding Transaction (other than a Fixed Instalment) is calculated by multiplying the relevant unpaid balance of that Transaction at the end of each day by the applicable daily interest rate. For Fixed Instalments, interest at the Fixed Instalment Interest Rate is calculated for the Fixed Instalment Period (including any Payment Holiday) and spread across the Instalments payable during the Fixed Instalment Period.

Daily interest rates are calculated by dividing the applicable annual interest rate by 365.

INTEREST-FREE PERIODS

An interest-free period of **up to 44 days** will apply to Standard Purchases (excluding Pay Later Purchases), debits to your Account of all fees, charges and interest and to any Balance Transfers which are not subject to any Start-up Interest Rate. No interest will be payable on the relevant Transaction if payment in full is received by us by the Due Date shown on the Statement in which that Transaction appears.

During the Start-up Interest Period for a Pay Later Purchase, interest will be charged at **0% p.a.** The Start-up Interest Period for a Pay Later Purchase is **at least 3 months**.

Interest at **0% p.a.** may also apply during the Start-up Interest Period and Fixed Instalment Period for a Flexi Payment Purchase, a

Balance Transfer and a Fixed Instalment (as applicable). Where this applies, this will be specified in the applicable Sales Voucher (for a Flexi Payment Purchase or Fixed Instalment) or otherwise disclosed to you in accordance with the CCCFA. For a Flexi Payment Purchase or a Balance Transfer, interest will then begin to accrue at the Standard Interest Rate from the next Due Date following the end of its Start-up Interest Period.

If you cancel a Fixed Instalment before the final Instalment is paid off, you will need to pay off the Cancelled Fixed Instalment in full by the next Due Date following the cancellation to avoid interest accruing at the Standard Interest Rate on the Cancelled Fixed Instalment.

CREDIT FEES AND CHARGES

The following credit fees and charges may apply (these may vary from time to time):

- Establishment Fee:** A fee charged when you open your Account in-store using Long Term Finance. **\$55**
- Account Fee:** An annual fee of **\$50** applied to your Account in two 6-monthly instalments (**\$25** on opening and every 6 months thereafter).
